

Introduction

This document states Kelsey Primary Schools policy on governor allowances.

Linked Policies

This policy should be read in conjunction with the following policies:

- There are no linked policies.

Aims

The governors' allowances policy is designed to:

- State the policy of Kelsey Primary School and its governing body on the payment of governors' allowances.

Legal Framework

There is no legal framework as such; however the government website below provides suggestions and good practice.

Statement of Policy

Governors are volunteers' and members of the local community who freely give up their own time to support both Kelsey Primary School and the children and staff who are part of the school community as well as the wider community.

It is the view of the governing body that since they are volunteers **no** remuneration will be provided by the school for normal day to day duties (e.g. attending governing body meetings or visiting the school).

However, travelling expenses for attending training courses / briefings / meetings outside the immediate locality of the school may be paid. An example would be a training course or meeting in Lincoln or Boston.

In this circumstance mileage would be paid at the normal Lincolnshire County Council rate.

Governors are able to use our out of school club free of charge if they are taking part in governor related activities / duties.
