Dear children and parents

31st March 2014

This is our first newsletter about the pre-school.

Kelsey little stars pre-school will open for children on Thursday 4th September 2014 at 0845.

We are currently registering children and if you would like a discussion about a place please contact Mr Smedley at Kelsey Primary School.

We have now completed all documentation required by law and have signed an agreement with Lincolnshire County Council to secure funding.

Our DfE registration number / OFSTED URN is: 683893

An advert for staff has been placed and we intend to interview shortly after Easter. This will allow time for the successful applicant to complete any required training and begin settling into Kelsey Primary School ready for a September start.

We are also visiting other pre-schools to see how they work and to gain ideas about best practice to help us set up the best pre-school ever and are working with specialists from the birth to 5 service to complete arrangements – our advisor is Helen Rutherford.

What happens next?

In mid-May we will write to everyone who has registered their child(ren) and invite you and your children to a meeting with Mr Smedley and the pre-school staff, there will be an opportunity to look round the pre-school room, meet staff, ask any questions you want to, discuss routines, policies, and practical matters like snacks and toilets, as well as showing your children round and beginning the process of filling in the paperwork required to register.

In the meantime if you have any questions please contact Mr Smedley at Kelsey Primary School – I would love to talk to you and meet your children.

With all best wishes

M. J. Smedley

Magnus Smedley
