

Minutes of the Kelsey PFA Meeting held on Monday 15th January 2018

Present: Faye Thompson, Sophie Dale, Yvonne Stark, Felicity Gardner, Deborah White, Vicky Brocklesby

Apologies: Louise Reece

February Event

Last year we held a disco in February which was not as successful as the Halloween Disco's have been so this year we will try something new. Miss Thompson suggested a 'Break the Rules' day where children can pay 50p to break a school rule, eg Wear non-uniform, have wacky hair, longer break time and golden time. This will be combined with a Film Night after school. These events will be held on Thursday 8th February and a letter will be sent out on Wednesday so children can decide which rules they want to break and send in money in exchange for tokens to break the rules!

Easter Bingo

We need to set a date for the Easter Bingo and the best night for it to be held was discussed. We will then need to organise a Non-Uniform day to collect in donations.

Bags to School

Faye is to speak to Ben Rhoades about organising another Bags to School collection.

Christmas Fair

This event was very successful and we took nearly £800 on the night.

During December refreshments were served after the carol service and the nativity plays and this raised a further £100.

The Wreath Making event raised £200.

This means we have almost reached the amount needed to refurbish the library!
